Street-Art-Festival Norden
24th and 25th August 2024

Street-Art-Festival Norden 2024

Application Information

The city of Norden is located in the north-west of Germany, not far from the North Sea. With its East Frisian tranquility, the historic buildings and the proximity to the UNESCO World Heritage Wadden Sea, it is a popular holiday destination and, together with the North Sea spa town of Norden-Norddeich, has around 1.7 million overnight stays every year.

This year the city of Norden is organizing the street art festival for the seventh time. Together with the popular children's summer festival, a garden concert, a summer party and a Sunday shopping, it is an integral part of the Norder Sommerfest. It takes place every year on the last full weekend in August and offers a colorful program for young and old, locals and tourists.

This year's Street Art Festival Norden will take place **on Saturday 24th and Sunday 25th of August 2024**. The Festival is organized by the administration of Norden.

Individual artists and groups from all artistic branches and levels of professionalism are cordially invited to apply with activities they want to perform on the streets. These might be **performances** (dance, puppet theatre, street theatre, circus, magic, spoken word), **musical contributions** (bands, singer-songwriters, instrumentalists, street musicians, choirs) and **interactive performances**.

It is expected that three venues will be used alternately during the day. In the evening there will be a concert. You may also apply for this.

- Artists will receive a fee
- Travel expenses and transport costs will be covered as well as the costs of accommodation and catering on site.

A **video link** (for performing artists) and a **soundtrack** (for musicians) are necessarily required for the application. Additional materials (description, press, further references, etc.) can be attached to the application.

The application may only be submitted **digitally** via the online link or by email to strassenkunstfestival@norden.de.

Last day of application is February 29th, 2024. A response to applications received will be issued by the End of April 2024.

We look forward to receiving your application and if you have any further queries, please do not hesitate to contact us.
